### 1\_Trans-Pyrenean Lleida

**PRULLANS - LA SEU D'URGELL - SORT  
LA POBLA DE SEGUR - EL PONT DE SUERT  
LA VALL DE BOÍ**

A route that combines some of the best roads for international motorcycle touring with the UNESCO World Heritage Site of the Boí Valley. It crosses the Lleida Pyrenees from east to west. This is a demanding route complemented by spectacular views of 5 local districts. With a good combination of food and drink, bikers will enjoy the best of the Lleida Pyrenees and Mototurisme Ara Lleida in just one day. The route visits charming, high-mountain villages and runs through beautiful countryside which you will want to stop to photograph. This route just gives a small taste of what you can find in the Lleida Pyrenees; you will be true trans-Pyrenean bikers.

### 2\_The mountain-pass route

**BOSSÒST - VIELHA - BAQUEIRA - SORT  
LA SEU D'URGELL - PRULLANS**

This is a route between valleys, peaks and mountain passes that reveals the most emblematic features of the High Pyrenees and Aran. It offers hundreds of high bends and hours of enjoyment, passing through stunning scenery. It runs from the provincial and national border with France (west) to the provincial border with Girona (east). This is a demanding route that runs through 4 local districts rich in culture and scenery, where you will enjoy an excellent day. It is an alternative to the trans-Pyrenean route, with its own natural and cultural treasures, which you will be able to immortalise in images and experiences.

### 3\_The lakes route

**VIELHA - VALL DE BOÍ - VALL FOSCA  
LA POBLA DE SEGUR - TREMP - CAMARASA  
OLIANA**

This is a route between administrative borders that offers the best of Catalonia and Aragon. It includes one of the longest tunnels through the Pyrenees and the marvellous scenery of the River Noguera Ribagorçana valley. You will see waterfalls, gullies and reservoirs between the bends on excellent tarmac roads. This rather demanding route follows the course of the River Noguera through 5 different local districts, passing some of its attractive reservoirs. The route highlights the excellent scenery and cultural landscapes of the Pyrenees and Pre-Pyrenees.

### 4\_The bends route

**SORT - LA SEU D'URGELL - COLL DE NARGÓ  
ISONA - TREMP - EL PONT DE SUERT  
VALL DE BOÍ - CALDES DE BOÍ**

This U-shaped route will take you through cols, mountain passes and gorges and across borders and plains. It visits some of the most unusual locations in Lleida province, passes through 4 local districts, and provides a quick insight into the wealth of motorcycle tourism on offer. It is an excellent way to combine the best of the Pyrenees and Pre-Pyrenees in an enjoyable, but demanding, day. The route has many bends and offers a wide variety of landscapes and spectacular scenery. You are recommended to stop and enjoy the beautiful views along some of the most demanding stretches of the route.

### 5\_The route through the interior

**GÓSOL - LA SEU D'URGELL - COLL DE NARGÓ  
SANT LORENÇ DE MORUNYS - SOLSONA  
PONTS - BALAGUER - ÀGER**

This route runs through peaceful areas of mountains, ridges and natural parks, but also enters the dry land area of the province. It traces an S-shape across the territory, running from north-east to north-west, and will enable you to discover the secrets of 4 local districts. It runs from the border with Barcelona province to the River Noguera Pallaresa, providing a really enjoyable experience. This is a route of variety and contrasts which is demanding but enjoyable. You will no doubt be tempted to stop along the way to savour the scenery and the biking experience.

### 6\_The route of contrasts

**ÀGER - CAMARASA - BALAGUER - ALFARRÀS  
LLEIDA - ALCARRÀS - SERÓS - MAIALS - EL COGUL  
LES BORGES BLANQUES - MOLLERUSA**

This route will allow you to discover the contrast between the Pre-Pyrenees and the reservoirs of La Noguera, as you pass mountain ridges and cross different local districts until you reach the Lands of Lleida. This short route, through 4 local districts, shows the contrasting scenery and cultural, economic and social geography of Lleida. It is a route with many long, straight stretches running through pleasant countryside with many motorcycle services available along the way.

### 7\_The transversal route

**LA SEU D'URGELL - RIALP - TREMP - PONTS  
GUISONA - AGRAMUNT - IVARS D'URGELL  
CERVERA**

This route will take you through the Pyrenees to a town which is now a reference point for motorcyclists all over the world: Cervera, the home town of the Márquez brothers. It crosses the whole of Lleida province from north to south, via 7 local districts that offer highly contrasting scenery. The route combines excellent motorcycle touring roads and other busier and faster ones.

### 8\_Route from north to south

**LLEIDA - BALAGUER - TREMP  
LA POBLA DE SEGUR - SORT - LLAVORSÍ  
TAVASCAN - ISIL**

This diagonal route leads from the Lleida Plain to the Pyrenees, crossing 4 local districts. There is a contrast between fast roads with many straights and slower ones with enjoyable bends. All of this is linked by visits to different municipalities of cultural and scenic attraction for motorcycle tourists. This is a route that compensates its lack of curves with the tourist attractions in the settlements that it visits and is a warm up before the magnificent motorcycle tourism roads that characterise the last few kilometres of what will be a varied and enjoyable ride.

### 9\_The ridge route

**SORT - LA POBLA DE SEGUR - TREMP - ISONA  
COLL DE NARGÓ - SANT LORENÇ DE MORUNYS  
TUIXENT - LA SEU D'URGELL**

This semi-circular route allows riders to discover many little-known parts of Lleida and its Pyrenees in just 4 local districts. There are narrow roads with many curves and outstanding scenery along this ride through the mountains of the Pyrenees and Pre-Pyrenees. This is a high-level motorcycle tourism route that is sure to impress.

### 10\_The Lands of Lleida route

**BALAGUER - PONTS - GUISONA - CERVERA  
TÀRREGA - BELLPUIG - LA GRANADELLA - MAIALS  
LLEIDA**

This simple, quick route will allow you to discover part of the Lands of Lleida and their beautiful scenery. Driving across 6 local districts, you will reach the plain and then the southern border of the province. You can discover the great cultural wealth of this area with the help of Mototurisme Ara Lleida, following a route that combines magnificent settlements and which visits an international reference for those who love motorcycle tourism: Cervera, and its Marc Márquez Museum.
